

Dear Friends,

Home For Good Singapore (HFG-SG) has taken important steps forward, including becoming an official member of the National Council of Social Services and relocating to our new office at JustCo, The Metropolis.

We have also welcomed Brenda Tan, our new Partnership Manager, and Sarah Ng, our Partnership & Programme Senior Executive, to our team.

In this issue, we share our recent and upcoming events. In May, join us to commemorate World Foster Day.

We are deeply grateful to each of you for journeying with HFG-SG — whether as a foster parent, volunteer, donor, or community partner. Your commitment and generosity have enabled vulnerable children to experience the safety, care, and love of a foster family. We look forward to your continued partnership and participation this year as we support foster families through our programmes and initiatives.

Sincerely,  
Sue Chang-Koh  
Executive Director

## Event highlights

### HFG-SG Appreciation Day 2025

On 22 November 2025, we hosted our inaugural Appreciation Day to honour our partners, supporters, and volunteers, all of whom have been instrumental in advancing our mission. Thank you to everyone who joined us for the event!

### Peer for Good

On 10 February 2026, we held our first-ever Peer for Good gathering, bringing together foster parents for lunch to get to know one another.

Peer for Good is a monthly initiative with several aims:

1. To strengthen foster parents' support network by providing a safe space for them to share their experiences and challenges of fostering.
2. For HFG-SG to better understand the challenges faced on the ground and follow up with timely and practical support to ease the demands of fostering.

### Buddy for Good: Befriender Training

On 14 March 2026, we launched our first Buddy for Good Befriender Training, welcoming 14 volunteers who will journey alongside foster children and families. Buddy for Good is a programme that pairs each foster family with a trained volunteer befriender. These volunteer bidders serve as a trusted adult

presence for the foster child and offer support to foster parents and biological parents upon reunification.

## Upcoming events

### **Building Safety Before Behaviour Workshop for Foster Parents**

*Sat, 16 May, 10.00am-1.00pm, JustCo @ The Metropolis*

Join us for this parenting workshop to learn how to build trust and emotional safety with your foster child. [Sign up today](#)

### **Wire Art Workshop for Children & Peer For Good**

*Mon, 8 June, 2.30pm-4.00pm, JustCo @ The Metropolis*

We invite children aged 8 to 13 to join this fun wire art workshop, led by Hi-Story, a social enterprise, during the school holidays. While your children are at the workshop, we invite foster parents to join our Peer for Good tea gathering. [Sign up today](#)

### **4-sessions Kintsugi Workshop**

*Saturdays, 4, 11, 18, 25 July, 9.30am-12.00pm*

Drawing on the Japanese art of Kintsugi — the practice of mending broken pieces with care and intention — this 4-part workshop series offers a safe, reflective space for foster and biological parents to process their emotions, build empathy for the child's experiences, and strengthen their child-centred approach to caregiving. **Sign up by contacting us at 9872 2609.**

### **World Foster Day Giving Campaign**

We invite you to support foster families

## World Foster Day Giving Campaign

Every year on 31 May, the world celebrates World Foster Day, a day to honour foster families and raise awareness of vulnerable children in need of safe, stable homes. We invite you to consider supporting us financially by donating to our [World Foster Day campaign](#).
